

# INDOOR LIGHT FITTINGS

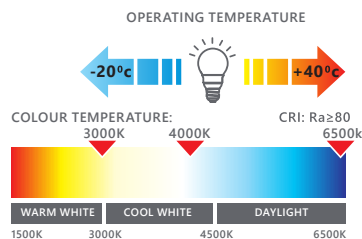

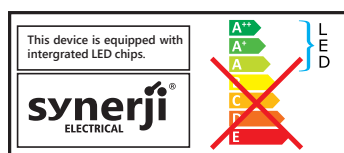

The Synerji Indoor Light fitting range consists of surface mount Ceiling fittings, Wall Lights, Pendants and Chandeliers. Different options are available in LED as well as fittings with an E27 base, allowing you to choose your Synerji LED lamp.

All Synerji Indoor Fittings comply with the IEC 60598 standard.

## CONTENTS

|                                |       |
|--------------------------------|-------|
| LED White Ceiling Fittings     | 40    |
| LED Starlight Ceiling Fittings | 41    |
| Indoor Wall Light Fittings     | 42-43 |
| Indoor Pendants                | 44-60 |
| LED Chandeliers                | 61-62 |
